" If you come here you got the flavor of the holiday, not a simple ' return home '. The context has a dream-like dimension out of the ordinary, heightened by the presence in the same building, but on the side, a lush garden 60 years where the circle of Granita. My House is widely reviewed by the press and by facebook itself, precisely because of its dreams. Look for me on the internet as a circle of Granita. The most beautiful sight here is the sunset with the sun rising from the sea just in front of the House. Is kitesurfing and windsurfing area, for children is suitable for shallow water. I would like to receive requests from people with a minimum of inner poetry, able to appreciate the beauty of ‘ diversity ’. ”
