Culture

* It's a bit emerald coast style in the area. After all, the emerald coast is less than 50 km away. Along the south coast are exclusive beaches, such as Cala Luna and Cala Sisine, which enchant, accessible only by ferry boats from Dorgali. The marina of Porto Ottiolu is easily accessible by plane from Olbia or by ship always from Olbia or Gulf Oranges with a distance of 30 to 45km. Nearby there are also historical areas such as the Nuragic villages or the Domos de Janas, as well as the many village festivals, with the customs of the place and local customs. Finally, not only to forget, Sardinia is not only a fantastic island, but for the variety of landscapes and traditions, it is a small continent."
