Seaside

Fishing

" Very quiet nights. There is a small restaurant in the residence with large terrace on the beach with wonderful views of the Bay of Roses, which is very interesting to monitor children when having a drink. Discover Rosas, Costa Brava. Rosas is a small Catalan seaside resort that attracts thousands of tourists for decades. Its Bay offers nearly three thousand years of history. Its origins date back to the 8th century BC with the arrival of Rhodians, and even today remains can there be admired especially near Empuries. Rosas has several megalithic sets but also a Visigoth fortress, a military Citadel of the 16th century and a beautiful church of the 19th century. But let's be honest, most tourists choose Rosas for its beaches more than for its heritage and we must admit that on the Costa Brava, it is one of the most beautiful sandy beaches. Dominated by Palm trees, the Central beach of Rosas has nearly the air of Florida. If you flee the world, you can also visit one of the many coves of Cap de Creus. Activities are not lacking in Rosas: hiking, sport nautical, diving, golf, this village has many opportunities for lovers of active tourism. Heritage, culture, leisure and beach: Rosas is a destination that offers many attractions. A place to discover! "
